REPORT OF TOWN MEETING MARCH 15, 1967

The meeting was called to order by the Moderator, Clifford R. Bryer, at 8:00 p.m.

Article 1. The results of the balloting on Tuesday, March 14, 1967, were read by the Moderator.

Article 2. On a motion by Roland D. Estabrook, for the Finance Committee, it was voted to accept the budget as printed in the Town Report, except the following items: Town Officers' Salaries \$5,300.00, Town Officers' Expenses \$3,500.00, Election and Registration \$650.00, Fire Department \$4,500.00, and Street Lighting \$5,800.00, which will be voted on separately.

Mr. Estabrook, for the F C, moved that the item Town Officers' Salaries be held at \$5,000.00 and to accomplish this, the Board recommends that the Tax Collector's rate of pay be changed from the present percentage basis to a fixed salary of \$1,800.00 per year.

The Moderator appointed Melvin H. Olson, Preston Fee, and Richard Bushong as tellers. A show of hands resulted in a count of 41 yes and 109 no. The motion thereby being defeated.

On a motion by Wallace B. Nyberg, it was voted to accept the item Town Officers' Salaries at \$5,300.00.

Mr. Estabrook, for the F C, moved that the item Town Officers' Expenses be held at \$3,000.00. This was seconded and a show of hands resulted in the motion being defeated.

On a motion by Winslow B. Kreuger, it was voted to accept the item Town Officers' Expenses as printed at \$3,500.00.

On behalf of the F C, Mr. Estabrook made a motion to hold the item Election and Registration Expense at \$500.00. This motion was carried.

It was then voted, on a motion by Russell D. Estabrook, to accept this item as printed, at \$4,500.00.

Mr. Estabrook, for the F C, moved that the item Street Lighting be held at \$3,615.48. Article 6. On a motion by Mr. Kreuger, it was voted to raise and appropriate the sum of \$4,000.00 for the purchase of approximately twenty and one-half acres of Stronach land, located at the Western end of Bartlett Street in Newton; and authorize the Selectmen to execute any and all contracts or agreements necessary and proper to accomplish said purchase.

Article 7. David H. Beebe moved that the Town request the assistance of the New Hampshire State Tax Commission to make a complete reappraisal of all Real Estate within the Town, and to appropriate the sum of \$7,500.00 therefore. The motion was seconded. Arlyn R. Leach offered an amendment, which was seconded, changing the amount to \$2,500.00. He explained that the State Tax Commission had indicated that this bill would not be due for three years, and that the amount could be raised in three equal installments or all of it in one year. This amendment was rejected.

On a motion by Howard L. Bowen, it was voted to cut off debate.

Mr. Leach's motion requesting a ballot vote was not accepted.

The time being 11:30, on a motion by Mr. Atwood, it was voted to adjourn the Town Meeting until March 16, 1967 at 8:00 in the Town Hall.

March 16, 1967

The Moderator called the meeting to order at 8:00 p.m.

Mr. Field then moved that the Town vote to purchase and equip a new Class "A" combination pumper fire truck, according to specifications drawn and approved by the Fire Department.....and authorize the Selectmen to issue bonds or notes in an amount not to exceed \$18,000.00 for the purpose of financing such purchase and equipment. This motion was seconded. After considerable debate, including comments by Chief Estabrook, on a motion by Fred H. Cust, it was voted to cease debate.

Section X:

The requirements of the National Building Code, 1955 Edition and any subsequent amendments thereto, shall be complied with in every respect in those situations not covered by, or referred to, in the Building Code and Safety Ordinance, Town of Newton, New Hampshire.

The motion was seconded. In the discussion following the motion, it was stated that this National Building Code would not supercede the

Town Building Code, but rather carry on where ours leaves off.

A show of hands, counted by Mr. Olson, Mr. Rogers, and Mr. Bushong, gave the following results, Yes 44 and No 43.

Article 12. On a motion by Mr. Atwood, it was voted to raise and appropriate a sum not to exceed \$750.00 to construct a fire pond and dry Hydrant on Smith Corner Road.

Janice A. Lynn asked for the report on recommended renovations and improvements to the Town Hall. Mr. Field said that he had been named Chairman of the Committee but they had been given no money to work with. However, through the generosity of the Harris Fund, \$6,500.00 was made available. With this money a septic tank was installed.

Mr. Kreuger expressed his thanks to the Finance Committee for doing an excellent job.

On a motion by Ralph M. Bean, it was voted to adjourn at 11:00 p.m.

REPORT OF GALE LIBRARY TRUSTEES

The library has continued its program of up-dating its materials, with the able assistance of Mrs. Rachel Sanborn, State Library area consultant. Many more books were weeded out and re-cataloging continued. We are indebted to Friends of the Library for assistance given in this program, especially to Mrs. Inez Wright for her untiring efforts in typing and guiding others. This is a continuing process and we ask patience until it is completed.

We are also indebted to Friends of the Library for volunteering to serve as substitute librarians so that the library may work toward attainments set as a goal under the Library Development Program, to which Gale Library ascribes, and which must be attained by 1972. By this assistance the library has been open Monday nights for two hours.

The trustees are working on a written policy, another goal of cooperating libraries, and which must be on file with the State Library. They will be published so that the public may be informed of them.

We are cooperating with the schools by providing books for supplemental reading requirements as well as pleasure. Teachers visit the library every few weeks, under a schedule arranged by Principal Paul Hanson, picking out books for the pupils. This is done to fill their needs brought about by the cancellation of Bookmobile visits to them. We are most happy to be of service to them.

We ourselves would be greatly handicapped were it not for the Bookmobile visits here. They supply us with a great many of the books for the schools use, as well as meeting our needs until we can replace the many books discarded, and they were many.

Mrs. Ella Yates, delegate to the Advisory Council of the Southeast Area, has attended meetings in Derry. Nearly all libraries in the state are now members of the Library Development Program. When goals set by trustees and librarians have been met we can certainly be of much greater service to our communities. Much effort will be required by staffs to attain the goals, but it will provide more professional librarians, better materials and improved facilities.

We are greatly disturbed that book borrowers still neglect to return books on loan. We had to pay the State Library a sizeable fund this year for books loaned out which were never returned, as well as some that were returned in such a condition that they could not be used for circulation again. When this becomes necessary it takes away from monies budgeted for our own book purchases and is of no value to anyone. So, won't you please bring back long over-due books. They are needed to meet the requests of others.

We re-decorated the interior of the library with funds available from

trust funds this year. Much appreciated was the gift of new drapes given by the M M Club. They enhance the room's atmosphere greatly.

Appreciation is extended to all who have donated books and materials to the library, also to the state for \$100 worth of reference books to help meet our needs.

We regret the long illness of our librarian, but Mrs. Florence Kelly proved an able substitute.

As we said last year, your appreciation of our efforts to provide the best we can for you can best be measured by your use of the library, also to provide funds we feel necessary to improve them.

Mrs. Edna F. Boyd, Chairman

Mrs. Ella M. Yates, Treasurer

TOWN OF NEWTON, NEW HAMPSHIRE OFFICE OF THE PLANNING BOARD REPORT OF THE NEWTON PLANNING BOARD

In 1964 the Town of Newton voted to establish a Planning Board to help the town map it's future and assist in it's orderly development. Subsequently, the Master Plan has been completed, subdivision regulations and an earth removal ordinance have been adopted, and an annual Clean-up week has been sponsored.

The year 1967, again, was one of progress by your Planning Board.

1) The proposed zoning ordinance was completed and four informal public hearings were held. In addition, two legal public hearings were held as prescribed by law. The proposed zoning ordinance will be presented to the people for approval at the March Town Meeting.

2) The Board completed the Master Plan, which is now being printed and will be available after Town Meeting.

3) The street sign project was completed by members of the Board, in their spare time as a service to the Town.

4) The third annual clean-up week was sponsored by the Board, and, as in past years, was a great success due mainly to the Cub Scouts, Boy Scouts and 4H Groups. The cooperation of the townspeople was excellent.

5) The Board held a Public Hearing and then accepted the subdivision of George Laskey on Maple Avenue, to be known as Sherwood Forest.

Thus, since it's inception the Planning Board has been moving progressively forward for the betterment of Newton. The Board was disappointed that some of the street signs were maliciously destroyed, and appeal to the Townspeople for their help in putting a stop to this.

In 1968 new signs will be erected and Town Ordinances will be studied and updated. Zoning is a necessary tool for the Town to use in directing the increasing growth of Newton and we sincerely hope the Town will vote in favor of the proposed zoning ordinance.

POLICE CHIEF'S REPORT

To the Board of Selectmen
The Voters and Residents
Newton, N.H.

Ladies and Gentlemen:

The primary mission of any Police Department is to safeguard the Constitutional Rights, liberty and security of the citizen; to preserve the peace, and enforce the laws. This job is becoming increasingly difficult even in the smallest of communities.

In Rockingham County, this past year, there has been an increase of 16% in felonies. These include armed holdups, home and bank robberies, murders, narcotics and many other types.

This type of person is difficult to deal with and especially so with the lenient attitude of the Courts of today.

Because of the problems facing law enforcement personnel, the Rockingham County Sheriff's Department has inaugurated the "Rockingham County Police Academy," from which I am proud to say that Newton had nine men graduated on January 21 this year from this Academy.

These diplomas were earned by many hours of valuable time, only because these men were interested in becoming better police officers. With this increased knowledge they can and will better serve their community.

In order to achieve this, these men spent and donated well over one thousand manhours, in the past ten months, by attending classes, lectures and firearms drills on the new County range.

Law enforcement agencies are painfully aware of the increasing need of time and trained personnel to cope with this increase of crime.

I sincerely hope that the Townspeople of Newton will continue to give their Police Department their support and cooperation in order that we can stay abreast of the current times and retain what our Town, State and Federal Government stand for.

Respectfully submitted,
ROLAND ESTABROOK
Chief of Police

REPORT OF THE NEWTON, NEW HAMPSHIRE CONSERVATION COMMISSION

The Newton, New Hampshire Conservation Commission has spent its first year in organizing and ascertaining those areas in which the Commission should function to best serve the community. The monthly meetings have dealt with historical data, wildlife, and conservation projects. The committee has met with Herman Parker, SCS Technician of the Rockingham County Soil Conservation District; Chester Bearce, Road Commissioner; and Donald Wright, Cataloger, Haverhill Public Library. Each meeting provided possible projects in conservation and a wealth of information concerning our town and its resources. The committee also met with selectmen and spent much time inspecting and reviewing town historical documents; locating early town cemeteries and locations of historical events. The committee also investigated the possibilities of wildlife sanctuary, recreation areas, playgrounds, and a nature walk. Lastly, Conservation literature and books were donated to the library for the use of townspeople.

Members of the Commission feel that many projects now in the planning stage have been hindered by the lack of funds. Yet they are most grateful for the willing assistance given by the townspeople, for entrusting to the committee care of early Newton historical documents and for making land areas available for the use of the town. Moreover, the committee will continue to accept any historical material and has the available information for anyone considering donating property to the town for use as wildlife and or recreational areas.

Next year, the Commission hopes to see a small recreational area in actual use by our children and adults, the beginning of a 20 year tree shade program along our streets, and a centralized storage and exhibition area housing historical artifices, available to both students and adults.
